

NUMBER **EL 100**

TITLE **APPLIED RESEARCH**

BOARD OF GOVERNORS POLICY

APPROVAL DATE January 24, 2017

NEXT REVIEW November 15, 2021

Applied research is a valuable activity for faculty professional development and for enhancement and enrichment of learning experiences.

Applied research activities will be self-funded through research grants, contracts, etc. that comply with current applicable College policies and standards. Any such applied research will adhere to established ethical principles and standards as well as appropriate scientific rigour.
