Part-time students and full-time students not meeting the requirement of part C1 may attend classes only where space is available, after all full-time students are scheduled and permission from the course instructor has been obtained.

2. PRIVATE LESSONS

a) Private Lesson Eligibility

- (i) Students with full-time course loads will be eligible to take Private Lessons: MUSC 150, 151, 250, and 251.
- (ii) Students enrolled in all Music Core and Concentrate Courses will be given priority in scheduling Private Lessons as per C. above.

E. RE-ADMISSION TO THE PROGRAM :

1. Re-admission to the Music Program is only permitted where spaces become available.
2. Normally, students in good standing who must interrupt their Program may apply for re-admission, within one year of departure.
3. Students who fail to complete a semester successfully may apply to re-enter and repeat the incomplete semester when it is next offered. (Normally, there is a waiting period of 12 months

- between offerings of the same course or semester.)
4. Students must apply for re-admission at least six months in advance as it may be necessary to repeat part of the work from the previous semester in order to upgrade skills and/or knowledge which have been lost in the intervening period.

 8. Students wishing to return for a second major or a third major will be subject to all re-entry policies.

PART II: ASSESSMENT, PROMOTION AND GRADUATION

A. ASSESSMENT

1. Grading

Grading will be based on the grades specified in the Contemporary Music and Technology Grading Table. To view the grading tables see *Policy 8612: Grading*.

Note: The grade of "P" is insufficient for promotion to subsequent classes.

2. Assessment Rewrites

- a) In cases where failure of a course prevents a student's progression in the program, a supplemental assessment/re-write may be granted with permission of the instructor and the Program Coordinator. The student must have maintained an average grade of C-or better in the course up to that point.
- b) The result of the supplemental/re-write may replace the original assessment grade.
- c) Supplemental/re-writes must be written within the time period indicated by the instructor.
- d) Students who are absent from an examination due to illness, accident or family emergency may apply to the instructor for permission to be assessed at an alternate time.
- e) Requests to reschedule an assessment to accommodate personal plans will not normally be accommodated.

3. Cheating and Plagiarism

- a) Cheating and plagiarism will not be tolerated. Please refer to College Policy 8618 Cheating and Plagiarism.

B. PROMOTION

1. In order to progress from one semester to the following, each semester must be completed with a GPA of 2.0 ("C" average) or better, and no more than one "F." Students cannot graduate with more than 2 "C-'s."
2. In order to progress from Semester I to Semester II, students must maintain a GPA of 2.0 ("C" average) or better; To progress from Semester II to Semester III, students must maintain a GPA of 2.0 ("C" average) or better, plus any requirements for their chosen major. To progress from Semester

III to Semester IV, students must maintain a GPA of 2.0 ("C" average) or better. Those students whose GPA is between 1.00 and 1.99 may continue as a General Major.

3. Students who have an Incomplete grade ("I") at the end of any term may be allowed to proceed into the following term on a "conditional" basis. Such "conditional promotion" status will normally be permitted to continue only for the specified period permitted for the conversion of "I" grades (within 30 days). The "I" grade must be converted to meet the terms in B.1.
4. Due to the limited space available, a maximum of 10 students will be accepted into the Production major. In the event that more than 10 eligible students request acceptance into the Production major, priority will be given to students with the highest GPA.

C. PREREQUISITES FOR MAJORS (YEAR 2)
